

CALL FOR COMPANIES TO HOST ELECTRICAL AND MECHANICAL ENGINEERING STUDENTS

USCDA invites companies that are interested to host Engineering Students from Mangosuthu University of Technology. Interested companies may send their request for one (1) learner to a maximum of three (3) learners and should be ready to host these students for a period of 12 months. There will be **no financial** obligation to the company, as stipends are provided by the Institution.

For further information contact Thamsanqa Bacela on 081 739 8393 or email thamsanqa@uscda.org.za or visit our offices at 04 Berea Street, Port Shepstone, 4240.
